One-page factory sheet

For brand, designer, and sourcing managers. Forward this sheet with your RFQ.

Primary factory

Huadu District, Guangzhou (Shiling). Sample room, cutting, sewing, packing, and finished QC on this site.

Address

No. 10, Nanhe Street, Nanfang Leather Park, Jingkou Road, Shiling Town, Huadu District, Guangzhou, Guangdong, China

Additional capacity

Cambodia is available after the Huadu sample is approved, when a programme needs a second origin or a larger repeat.

MOQ

Typical programmes start at 500 pieces per style. Exact MOQ is confirmed on the quote.

Sampling

About two weeks after specifications, materials, and hardware are locked.

Bulk lead time

About two months FOB Shenzhen or Guangzhou after sample approval and materials are confirmed.

Fashion PU guide

FOB about USD 8 to 12 for typical fashion PU programmes. Leather and complex constructions are quoted from a tech pack or reference sample.

Payment

T/T. A deposit starts bulk. The balance is due before the goods leave. The split is written on the PI.

Compliance

We work to BSCI social-compliance reviews. EU REACH and California Prop 65 chemical limits on request.

Inspection / audits

SGS, Bureau Veritas, Intertek, or your inspector at Huadu. Write a few days ahead for a BSCI review or a brand factory audit, including club / mass retail visits.
